**SAVE THE DATE...**  
**Tuesday,**  
**June 12, 2018**  
**Springfield, MA**

**Join us to explore the many development opportunities  
on the horizon in Western Massachusetts!**

The 2018 Western MA Developers Conference will connect business leaders, developers, real estate professionals, site selectors, economic development professionals, and public officials from Western MA and across the Northeast. The Conference will highlight the region's assets and development opportunities as an exceptional place to invest, launch, and grow businesses.

This year we are excited to **welcome Governor Charlie Baker as the Luncheon Keynote speaker.** The day includes networking, exploration of new development opportunities, and discovery of resources readily available to support development and leverage your investment.
